

ANNUAL SCHOOL SURVEY AND QUESTIONNAIRE

In an ongoing effort to improve our annual schools, we are asking for feedback from the students. While we are not able to institute every idea or suggestion given, we have been able to use many ideas and suggestions given us by the students and instructors. Our schools have become better through the years because of these, and we will continue to use your ideas and suggestions when we can.

Please take the time to fill out this questionnaire and return it either by mail or fax to:

Questionnaires that are unsigned will not be read or considered.

Please complete and return this survey by February 1, 2007 as we will begin planning our 2007 school shortly after the first of the year.
