2006												
2007	if your five year re-certification period begins after November 1, 2005 - you will need two 7 hour USPAP workshops to re-certify, providing you have had at least one 15 hour tested USPAP previously.											
2008												
2009												
2010												

- 1 Your first re-certification period must include the 15 hour tested USPAP course.
 - 2 If your current re-certification period began prior to November 1, 2005 and you have taken a 15 hour UAPAP course in that re-certification period, you have met your USPAP requirement for re-certification.
 - 3 If your current re-certification period began prior to November 1, 2005 and you have not taken a 15 hour USPAP, you will need 1 - 15 hour USPAP to recertify, but will not need a 7 hour USPAP workshop to re-certify.
 - 4 If your current re-certification period begins after November 1, 2005, you will need 2 - 7 hour USPAP workshops to re-certify.
- * Beginning in the spring of 2006, The Department of Revenue and Regulation will offer 15 hour tested USPAP on even number years and offer the 7 hour USPAP workshop in odd numbered years.
